

## **Rebecca Welling joins CrossCurrent, Inc. as Manager of Clinical Services**

**Portland, OR, October 1, 2007**— Rebecca Welling has joined CrossCurrent, Inc. as the Manager of Clinical Services. Rebecca has a strong Medical coding and compliance background, with experience as a medical coder, auditor, educational instructor, and coding appeals moderator. Rebecca has also worked extensively in all aspects of orthopedic and spine surgery coding. She is duly certified as an RHIT (Registered Health Information Technician) and as a CCS-P (Certified Coding Specialist- Physician based). Before coming to CrossCurrent Rebecca worked with the Portland, Oregon Fraud and Abuse Working Group to ensure accurate payments and claim submissions. Rebecca received her credentials through the American Health and Information Association. "I am excited to join CrossCurrent. INCISIVE is a terrific, and much needed, product," says Rebecca. INCISIVE reimbursement solutions were developed to allow spine, orthopaedic, and neurosurgeons to realize their full income potential.

### **About CrossCurrent, Inc.**

CrossCurrent, founded in 2002, is a healthcare information technology company dedicated to helping its customers increase revenue. CrossCurrent's INCISIVE™ software solutions provide innovative planning, coding and revenue management solutions designed specifically for orthopedic, spine and neurosurgeons.
